**SUBJECT :** Call for Research Articles on a Rolling Basis in iJOINED ETCOR

ETCOR Research Consultants and all others concerned,

Greetings from ETCOR Educational Research Center!

Please be informed that the International Journal of Open-access, Interdisciplinary and New Educational Discoveries of ETCOR Educational Research Center (iJOINED ETCOR) is **now accepting, reviewing and publishing articles on a rolling basis to avoid constraints of deadlines, amount of content to publish and not to have concessions of quality and rigor.**

By adopting a **rolling publishing model**, the editorial board endeavors to make the publishing process more manageable and eliminates the stress of hard production deadlines.

Articles progress in their own pace and time, molded by the expert recommendations of blind reviewers and polished by diligence and scholarship of researchers. Articles will be published online at the ETCOR website after completing the review process and revisions.

For submission guidelines and other policies, please visit the journal website at <https://etcor.org/research-journal>.
